SUBMISSION OF FIGURES

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The PTO has indicated on the return postcard, filed with the initial filing of the above-identified application, that the PTO did not receive the 8 sheets of drawings indicated on the certificate of mailing by express mail, transmittal sheet, and return postcard. A photocopy of the return postcard is provided herewith. Applicants hereby assert that the 8 sheets of drawings were indeed filed with the instant application as indicated on the certificate of mailing by express mail, the transmittal sheet, and the return postcard. Applicants respectfully request that the PTO recognize the certificate of mailing by express mail, certified by Craig Worthem, assistant to the undersigned, and enter the enclosed 8 sheets of drawings (Figures 1-8) in the instant application.

Nevertheless, Applicants assert that the 8 sheets of drawings (Figures 1-8) submitted herewith are identical to Figures 1-8 of the parent application, U.S. Application Serial No. 09/191,997, filed 13 November 1998, incorporated into the instant application by reference in its entirety. Thus, no new matter has been added. Applicants therefore respectfully request that the enclosed 8 sheets of drawings (Figures 1-8) be entered in the instant application.

No fee is believed due in connection with this submission. However, should a fee be required, the Assistant Commissioner is hereby authorized to charge such fee to Deposit Account No. 501181. A duplicate of this sheet is enclosed.
